sluggishness of the animal disappears and he becomes lively and spirited. It softens the hair, giving the hair a sleek or shining appearance. The great superiority of these powders over all other remedies is that they are compounded of medicines that have laxative and purifying properties. (The laxative remedy alone aids now tenacity and vigor to the system of the horse, by which the appetite is wonderfully improved, and the purifying medicines contained therein cleanse the blood from all the impurities, and give a healthy and vigorous condition to the system.) They improve the wind, and are also beneficial to the lungs, yellow water, and the liver, and are useful in the yellow fever, loss of appetite, and in the

GREAT DESTRUCTION OF RATS.

READ THE TESTIMONIALS.

Mr. Stonebaker: It is with pleasure we state to you, that we used one box of your Roach and Mouse Exterminator in and about our mill, which played havoc with the Rats; and

threw out and lay about in the streets. I had killed them all, but I don't think I ever got on its equal. A great many came to their holes to die, by which they can be gotten thrown away. I can truly say to all who are troubled with Rats, use Stonebraker's Extremator, and it will rid you of them. Yours Truly
